

### **USA Compression to Be Added to Alerian Natural Gas MLP Index**

AUSTIN, Texas--(BUSINESS WIRE)--Mar. 16, 2015-- USA Compression Partners, LP (NYSE: USAC) (the "Partnership") today announced that Alerian will add the Partnership to its Alerian Natural Gas MLP Index (NYSE: ANGI), following the close of business on Friday, March 20. The Alerian Natural Gas MLP Index is an equal-weighted index of natural gas infrastructure MLPs, whose 20 constituents earn the majority of their cash flow from the transportation, storage, and processing of natural gas and NGLs.

Alerian is an independent provider of MLP and energy infrastructure market intelligence. Its benchmarks and indices are widely used by industry executives, investment professionals, research analysts, and national media to analyze relative performance.

### **About USA Compression Partners, LP**

USA Compression Partners, LP is a growth-oriented Delaware limited partnership that is one of the nation's largest independent providers of compression services in terms of total compression fleet horsepower. The company partners with a broad customer base composed of producers, processors, gatherers and transporters of natural gas and crude oil. USA Compression focuses on providing compression services to infrastructure applications primarily in high volume gathering systems, processing facilities and transportation applications. More information is available at [www.usacpartners.com](http://www.usacpartners.com).
